

The Corporation of the
CITY OF WHITE ROCK

Finance and Audit Committee
AGENDA

Wednesday, February 3, 2021, 5:30 p.m.

City Hall Council Chambers

15322 Buena Vista Avenue, White Rock, BC, V4B 1Y6

***Live Streaming/Telecast:** Please note that all Committees, Task Forces, Council Meetings, and Public Hearings held in the Council Chamber are being recorded and broadcasted as well included on the City's website at: www.whiterockcity.ca

The City of White Rock is committed to the health and safety of our community. In keeping with Ministerial Order No. M192 from the Province of British Columbia, City Council meetings will take place without the public in attendance at this time until further notice.

T. Arthur, Director of Corporate Administration

1. CALL TO ORDER

Councillor Chesney, Chairperson

1.1. MOTION TO CONDUCT FINANCE AND AUDIT COMMITTEE MEETING
WITHOUT THE PUBLIC IN ATTENDANCE

RECOMMENDATION

WHEREAS COVID-19 has been declared a global pandemic;

WHEREAS the City of White Rock has been able to continue to provide the public access to the meetings through live streaming;

WHEREAS holding public meetings in the City Hall Council Chambers, where all the audio/video equipment has been set up for the live streaming program, would not be possible without breaching physical distancing restrictions due to its size, and holding public meetings at the White Rock Community Centre would cause further financial impact to City Operations due to staffing resources and not enable live streaming;

WHEREAS Ministerial Orders require an adopted motion in order to hold public meetings electronically, without members of the public present in person at the meeting;

THEREFORE BE IT RESOLVED THAT the Finance and Audit Committee

(including all members of Council) authorizes the City of White Rock to hold the February 3, 2021 meeting to be video streamed and available on the City's website, and without the public present in the Council Chambers.

2. ADOPTION OF AGENDA

Note: This meeting was scheduled to complete the January 25, 2021 Finance and Audit Committee meeting agenda.

RECOMMENDATION

THAT the Finance and Audit Committee adopt the agenda for February 3, 2021 as circulated.

3. ADOPTION OF MINUTES

4

RECOMMENDATION

THAT the Finance and Audit Committee adopt the minutes of the January 25, 2021 meeting as circulated

4. CORPORATE REPORTS

4.1. 2021 - 2025 Draft Financial Plan

11

Corporate report dated January 25, 2021 from the Director of Financial Services titled "2021-2025 Draft Financial Plan".

RECOMMENDATION

THAT the Finance and Audit Committee (F & A) directs Item 6 Human Resources Advisory (Page 15 of the January 25, 2021 F & A agenda) \$104,400 be funded through City Reserves.

Note: This motion was deferred from consideration at the end of the January 25, 2021 meeting until the next scheduled meeting.

RECOMMENDATION

THAT the Finance and Audit Committee:

1. Receive this report for discussion on the proposed 2021 – 2025 Draft Financial Plan:
2. Endorse the presented Draft 2021 – 2025 Financial Plan figures and assumptions or provide direction on amendments to be made; and
3. Direct staff to proceed with the next steps in the Financial Planning process notifying the public of the opportunity for public comments, including requesting written comments or questions, based on the information presented in this corporate report, or as amended.

4.2. Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370

50

Corporate report dated January 25, 2021 from the Director of Financial Services titled "Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370".

RECOMMENDATION

THAT the Finance and Audit Committee endorse the proposed "*Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370*".

5. Marine Drive Task Force - March, 2020 (Council Representative - Councillor Trevelyan)

At the April 20, 2020 Regular Council meeting Council deferred consideration of this recommendation until the City has a better idea of when there would be funds available.

Note: At the November 23, 2020 Regular Council meeting Councillor Trevelyan requested that the following recommendation from the Marine Drive Task Force be brought forward for consideration during the budget process.

5.1. WATERFRONT ENHANCEMENT STRATEGY REVIEW AND DISCUSSION

Note: Council may want to ask staff in regard to this recommendation as to feasibility / time required and how it could impact progress for their approved strategic priorities.

RECOMMENDATION

THAT Council direct staff to investigate the feasibility of the following capital projects for Marine Drive:

- Flexible use of the parking lot west of the museum to include retractable cover, beatification and a reconfiguration of parking spaces;
- An all-abilities playground;
- A permanent multi-purpose cultural facility adjacent to the west of Grand Chief Bernard Charles Memorial Plaza and that the City consider approaching the Semiahmoo First Nation to be involved in the design thereof; and,
- Consider seasonal installation of a synthetic ice rink during the winter season at a location in the Marine Drive area.

6. CONCLUSION OF THE FEBRUARY 3, 2021 FINANCE AND AUDIT COMMITTEE MEETING

Finance and Audit Committee

Minutes

January 25, 2021, 5:00 p.m.

City Hall Council Chambers

15322 Buena Vista Avenue, White Rock, BC, V4B 1Y6

PRESENT:

- Mayor Walker
- Councillor Chesney
- Councillor Fathers
- Councillor Johanson
- Councillor Kristjanson (arrived at 5:06 p.m.)
- Councillor Manning
- Councillor Trevelyan

STAFF:

- Guillermo Ferrero, Chief Administrative Officer
- Tracey Arthur, Director of Corporate Administration
- Jim Gordon, Director of Engineering and Municipal Operations
- Carl Isaak, Director of Planning and Development Services
- Jacquie Johnstone, Director of Human Resources
- Colleen Ponzini, Director of Financial Services
- Eric Stepura, Director of Recreation and Culture
- Ed Wolfe, Fire Chief
- Kale Pauls, Staff Sargent
- Shannon Johnston, Manager Budgets and Accounting
- Donna Kell, Manager of Communications
- Debbie Johnstone, Deputy Corporate Officer

1. CALL TO ORDER (Councillor Chesney Chairperson)

The meeting was called to order at 5:02 p.m.

1.1 MOTION TO CONDUCT FINANCE AND AUDIT COMMITTEE MEETING WITHOUT THE PUBLIC IN ATTENDANCE

Motion Number: 2021-F&A-01 It was MOVED and SECONDED

WHEREAS COVID-19 has been declared a global pandemic;

WHEREAS the City of White Rock has been able to continue to provide the public access to the meetings through live streaming;

WHEREAS holding public meetings in the City Hall Council Chambers, where all the audio/video equipment has been set up for the live streaming program, would not be possible without breaching physical distancing restrictions due to its size, and holding public meetings at the White Rock Community Centre would cause further financial impact to City Operations due to staffing resources and not enable live streaming;

WHEREAS Ministerial Orders require an adopted motion in order to hold public meetings electronically, without members of the public present in person at the meeting;

THEREFORE BE IT RESOLVED THAT the Finance and Audit Committee (including all members of Council) authorizes the City of White Rock to hold the January 25, 2021 meeting to be video streamed and available on the City's website, and without the public present in the Council Chambers.

Motion CARRIED

2. ADOPTION OF AGENDA

Motion Number: 2021-F&A-02 It was MOVED and SECONDED

THAT the Finance and Audit Committee adopt the agenda for January 25, 2021 as circulated.

Motion CARRIED

3. ADOPTION OF MINUTES

Motion Number: 2021-F&A-03 It was MOVED and SECONDED

THAT the Finance and Audit Committee adopt the minutes of the December 7, 2020 meeting as circulated.

Motion CARRIED

4. 2021 - 2025 Draft Financial Plan

Corporate report dated January 25, 2021 from the Director of Financial Services titled "2021-2025 Draft Financial Plan".

The Director of Financial Services provided and an overview of the proposed 2021 - 2025 Financial Plan.

Councillor Kristjanson arrived at the meeting at 5:06 p.m.

The following discussion points were noted:

General Fund Operations:

- Loss due to COVID (Decreased Revenues/Decreased Expenses/Increased Expenses and Recoveries - Provincial Government)
- Largest revenue impacts - parking / recreation
- Concern was noted with possible deficit for 2021
- It was inquired as to what happens with unspent portion(s) of the grant received by the province. Staff noted that there are a number of items the funds can be utilized for and there is not a time limit to spend the funds
- It is important that the City "tighten its belt", discretionary spending needs to be less
- It was clarified that salary and benefits at \$494,900 include union collective agreement and cost of living
- Pop Up Gallery Lease \$39,400, original lease expires January 31, 2021, will be running month to month following that. It was noted that there are no City locations that can accommodate this use at this time
- Transfer to Reserves, can this be held back for one (1) year? Staff noted it can be a consideration, need to be aware the City should be putting in enough to replace all infrastructure
- HR Advisor, is this necessary - has the City explored WorkSafe BC Core Program. Staff noted they have but there is much to do before this is achievable, but remain committed to the City working towards it. Staff clarified that this item is to support the employee group including the safety of employees

- We need move forward with the budget, at least must align to continue to do the things we have been doing
- A number of projects in the general fund asset improvement (page 32 of the agenda), are there any that can be deferred or cancelled? Staff noted these items are not a direct link in regard to a tax increase

Staff were asked to schedule a further meeting, as soon as possible, in order to complete consideration of the Finance and Audit Committee meeting of January 25, 2021. It was noted that all remaining Items 4 - 6 will be placed again on the next agenda to be completed at the next meeting.

Motion Number: 2021-F&A-04 It was MOVED and SECONDED

THAT the Finance and Audit Committee directs staff to defer the proposed Transfer to Reserves in the amount of \$375,000 for 2021.

Motion CARRIED

Mayor Walker voted in the negative

Motion Number: 2021-F&A-05 It was MOVED and SECONDED

THAT The Finance and Audit Committee endorses Item 5 (Page 15 of the agenda) Fire Fighter \$76,300 be included in the 2021-2025 Financial Plan.

Motion CARRIED

Motion Number: 2021-F&A-06 It was MOVED and SECONDED

THAT The Finance and Audit Committee endorses Item 7 (Page 15 of the agenda) RCMP Member \$103,800 be included in the 2021-2025 Financial Plan.

Motion CARRIED

Motion Number: 2021-F&A-07 It was MOVED and SECONDED

THAT The Finance and Audit Committee endorses Item 8 (Page 15 of the agenda) Pop-Up Gallery Lease \$39,500 be included in the 2021-2025 Financial Plan.

Motion CARRIED

Councillor Trevelyan voted in the negative

Motion Number: 2021-F&A-08 It was MOVED and SECONDED

THAT The Finance and Audit Committee endorses Item 4 (Page 15 of the agenda) Parks Staff \$249,200 be included in the 2021-2025 Financial Plan.

Motion CARRIED

Councillors Manning and Trevelyan voted in the negative

Motion Number: 2021-F&A-09It was MOVED and SECONDED

THAT The Finance and Audit Committee endorses Item 1 (Page 15 of the agenda) Training and Public Reception \$6,500 be included in the 2021-2025 Financial Plan.

Motion CARRIED

Councillor Trevelyan voted in the negative

Motion Number: 2021-F&A-10It was MOVED and SECONDED

THAT The Finance and Audit Committee endorses Item 2 (Page 15 of the agenda) Miscellaneous Consulting \$10,000 be included in the 2021-2025 Financial Plan.

Motion DEFEATED

Councillors Johanson, Kristjanson, Manning and Trevelyan voted in the negative

Motion Number: 2021-F&A-11It was MOVED and SECONDED

THAT The Finance and Audit Committee endorses Item 3 (Page 15 of the agenda) HVAC and Roof Maintenance \$57,900 be included in the 2021-2025 Financial Plan.

Motion CARRIED

Councillor Trevelyan voted in the negative

Motion Number: 2021-F&A-12It was MOVED and SECONDED

THAT The Finance and Audit Committee endorses Item 6 (Page 15 of the agenda) Human Resources Advisor \$104,400 be included in the 2021-2025 Financial Plan.

Motion CARRIED

Councillors Kristjanson and Trevelyan voted in the negative

Motion Number: 2021-F&A-13 It was MOVED and SECONDED

THAT the Finance and Audit Committee directs items approved this evening Items 1, 3 through 8 (Page 15 of the agenda) be funded through a tax increase and not from City reserves.

Motion DEFEATED

Councillors Johanson, Kristjanson, Manning and Trevelyan voted in the negative

Motion Number: 2021-F&A-14 It was MOVED and SECONDED

THAT the Finance and Audit Committee defer consideration on the following motion until the next scheduled Finance and Audit Committee:

THAT the Finance and Audit Committee directs Item 6 Human Resources Advisory (Page 15 of the agenda) \$104,400 be funded through City Reserves.

Motion CARRIED

Councillor Kristjanson, Manning and Trevelyan voted in the negative

5. Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370

(Deferred to the next meeting)

Corporate report dated January 25, 2021 from the Director of Financial Services titled "Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370".

6. Marine Drive Task Force - March, 2020 (Council Representative - Councillor Trevelyan)

(Deferred to the next meeting)

At the April 20, 2020 Regular Council meeting Council deferred consideration of this recommendation until the City has a better idea of when there would be funds available.

Note: At the November 23, 2020 Regular Council meeting Councillor Trevelyan requested that following recommendation from the Marine Drive Task Force be brought forward for consideration during the budget process.

6.1 Recommendation #1 - WATERFRONT ENHANCEMENT STRATEGY REVIEW AND DISCUSSION

(Deferred to the next meeting)

Note: Council may want to ask staff in regard to this recommendation as to feasibility / time required and how it could impact progress for their approved strategic priorities.

Motion Number: It was MOVED and SECONDED

THAT Council direct staff to investigate the feasibility of the following capital projects for Marine Drive:

- Flexible use of the parking lot west of the museum to include retractable cover, beatification and a reconfiguration of parking spaces;
- An all-abilities playground;
 - A permanent multi-purpose cultural facility adjacent to the west of Grand Chief Bernard Charles Memorial Plaza and that the City consider approaching the Semiahmoo First Nation to be involved in the design thereof; and,
 - Consider seasonal installation of a synthetic ice rink during the winter season at a location in the Marine Drive area.

7. CONCLUSION OF THE JANUARY 25, 2021 FINANCE AND AUDIT COMMITTEE MEETING

The Chairperson concluded the meeting at 7:02 p.m. noting a further meeting to complete the agenda items will be scheduled as soon as possible.

Mayor Walker

Tracey Arthur, Director of Corporate Administration

THE CORPORATION OF THE
CITY OF WHITE ROCK
CORPORATE REPORT

DATE: January 25, 2021

TO: Finance and Audit Committee

FROM: Colleen Ponzini, Director, Financial Services

SUBJECT: 2021 – 2025 Draft Financial Plan

RECOMMENDATIONS

THAT the Finance and Audit Committee:

1. Receive this report for discussion on the proposed 2021 – 2025 Draft Financial Plan;
 2. Endorse the presented Draft 2021 – 2025 Financial Plan figures and assumptions or provide direction on amendments to be made; and
 3. Direct staff to proceed with the next steps in the Financial Planning process notifying the public of the opportunity for public comments, including requesting written comments or questions, based on the information presented in this corporate report, or as amended.
-

EXECUTIVE SUMMARY

This report provides more information on the Draft 2021 – 2025 Financial Plan, including the capital and operating components for all funds. The report also considers the Finance and Audit Committee's recommendation from the December 7, 2020 meeting that directed staff to "bring forward the budget with the aim to stay between a 1.53% to 2.5% property tax increase."

City staff have compiled the 2021 – 2025 Draft Financial Plan challenged by the Covid-19 Pandemic. Service delivery models and revenue projections have been adjusted for 2021 and are expected to be brought back to normal operating conditions for 2022 and beyond.

The 2021 – 2025 Draft Financial Plan was prepared under the assumption that the City will continue to operate under the current Covid-19 pandemic guidelines, restrictions, and general processes as directed by Council. The net impact from the Covid-19 pandemic for 2020 and 2021 are considered to qualify for funding under the Covid-19 Safe Restart grant. Staff have been directed to return to normal operations in 2022 and beyond.

In addition to reviewing budgets for the impact of the pandemic, staff also reviewed the budget to determine if there are any changes that are required as a result of previous approvals, necessary changes in contracts, and actual changes in revenues. These are items that are already in place and need to be funded in the City's base operating budget and impact taxation rates.

The final area of review involved analyzing operations to determine if a new service or expense had to be included in the budget. These requests for funding were provided to the Finance and Audit Committee on December 7, 2020. The requests were compiled by departments and the rationale were included as attachments in the December 7 report.

INTRODUCTION/BACKGROUND

The City is required to prepare a Five-Year Financial Plan annually that shows the City's operating and capital programs and how they are to be funded. This includes the General Fund which is largely funded through taxation revenues as well as the City's Utility Funds which are funded mainly through Utility Rates. In order to organize the information in a way that can be discussed and understood more succinctly, this report is broken down into the following sections:

General Fund

- General Fund Operations (Appendix A)
 - Operating deficits due to the Covid-19 pandemic
 - 2021 increases to the base operating budget
 - Proposed 2021 budget increments (Rationale in Appendices B and C)
 - Options to stay below a 2.5% tax rate increase
- General Fund Capital (Appendix D)
- General Fund Reserves

Utility Funds Operations and Capital (Appendices E and F)

- Sewer Fund
- Drainage Fund
- Solid Waste Fund
- Water Fund

General Fund Operations (Appendix A)

Operating Deficits Due to the Covid-19 Pandemic

Initially, it was expected that the City would have to use its reserves to fund the deficits that have been projected as a result of lower revenues and increased operating costs to deal with the Covid-19 pandemic. Fortunately, the Federal and Provincial governments provided some financial relief in the form of a \$3.769M Covid-19 Safe Restart Grant that the City can use towards the deficits. Eligible costs outlined in the letter received from the Deputy Minister of Municipal Affairs and Housing include:

- addressing revenue shortfalls;
- facility reopening and operating costs;
- emergency planning and response costs;
- bylaw enforcement and protective services, such as fire protection and police;
- computer and other electronic technology costs (to improve interconnectivity and virtual communications);
- services for vulnerable persons (e.g. persons living with disabilities, mental illness or addictions, experiencing homelessness or other vulnerabilities); and
- other related costs.

As projected in the September 14, 2020 report to Council, staff estimate that there will be an operating deficit of \$1.1M in 2020, which seems reasonable based on preliminary year-end financial work. A similar exercise to estimate the impacts of the pandemic on the 2021 budgets and the projected 2021 deficit is estimated to be \$1.8M which is shown in the table that follows. The main cause of the projected deficit is a decrease in revenues from parking, recreation and culture and investment interest.

While it would seem reasonable to expect that corresponding expenses should also decrease, the City has had to change the way it operates during the pandemic, which has effectively redirected the funding. Examples are: increased costs for cleaning, communications, and administrative

functions; reimagining the ways in which the City provides recreation and cultural programs; and refocusing staff to deal with Covid-19 related issue. This, while parking revenues are projected to decrease due to free parking at the waterfront and the hospital as well as facility closures at the Centre for Active Living, and parking enforcement having been redirected to address other parking issues.

While it is challenging to separate out the financial impacts of the Covid-19 Pandemic, staff are confident that the estimates are reasonable and that they are in line with the eligible use of the Covid-19 Safe Restart Grant.

Note that should the estimated deficits not be realized, there would be more funds available under the grant to direct to other restart activities that Council may wish to support.

Decreased Revenues	2020	2021
Parking Services revenue	\$ 742,000	\$ 964,600
Recreation & Culture revenue	1,017,400	1,062,100
Investment Interest	341,000	335,600
Miscellaneous	80,200	81,300
Total Decreased Revenues	2,180,600	2,443,600
Decreased Expenses		
Parking Services	47,600	57,000
Recreation & Culture	810,800	629,600
General Government	191,000	39,400
Miscellaneous	154,100	70,900
Total Decreased Expenses	1,203,500	796,900
Increased Expenses		
Parks & Facilities	217,200	153,400
Recoveries		
Provincial Government (EMBC)	67,000	-
Total funding from Covid-19 Restart Grant	\$ 1,127,300	\$ 1,800,100

As required, the City will report on the use of these funds under section 167 of the *Community Charter* and will provide a schedule to the Audited Financial Statements for each year that the grant is drawn down. Based on the projected deficits for 2020 and 2021, it is expected that the City will have a remaining \$842K available to address other issues as they arise that qualify as eligible costs outlined in the grant.

2021 Increases to the Base Operating Budget

There are increases to the base operating budget that must be funded as the expenses have either already been approved and are in place or are a result of increases in contracts that cannot be avoided. The largest increase relates to annual salary and benefits that are negotiated through collective agreements and set by Council policy for exempt staff. These increases are projected across departments which is expected as the City's main expense relates to staff who provide services. When looking at other impacts, one of the more significant is due to changes in the RCMP and Integrated Teams contracted services and having to provide in house IT support for the RCMP due to the changes in services delivered by Surrey.

Other increases are necessary for property and liability insurance, software maintenance and license fees and building lease costs. In addition, a Communications Assistant and a Committee Clerk were temporarily funded from reserves in 2020, to keep tax rates down at that time that are ongoing and need to be funded from revenues. These increases have been partially offset by increases in revenues due to rate changes and taxation revenues from new construction. The net impact on the 2021 tax rate for these increases was reported to be 1.53% at the December 7, 2020 Finance and Audit Committee meeting.

At the December meeting, the Committee requested more details of the items that are in this section which is provided in the table below. Note that since that meeting, some minor revisions have been made that have increased the net amount to 1.56%.

Description	Amount	% Tax Inc
Salary and benefits	\$ 494,900	2.11%
RCMP and Integrated Teams contract increases	147,100	0.63%
IT Support for the RCMP in-house	28,100	0.12%
Property & liability insurance	83,200	0.36%
Communications Assistant & Committee Clerk funded from reserves in 2020	95,500	0.41%
Software maintenance costs	17,000	0.07%
Building lease costs	13,100	0.06%
License fees	9,500	0.04%
Alexander Neighbourhood House youth program grant	5,000	0.02%
Other miscellaneous net increase	3,400	0.01%
Revenue decreases: ATMs (\$10K), Grants (\$7K)	17,100	0.07%
Revenue increases: Fees & Charges (\$45K), Other Revenues (\$88K), Admin fee to utilities (\$94K)	(226,400)	-0.97%
Net Expenses	687,500	2.93%
Taxation revenue new construction	(322,500)	-1.38%
Net Increase	\$ 365,000	1.56%

Proposed 2021 Budget Increments (Rationale in Appendices B and C)

Requests for Ongoing Operating Increases (Appendix B)

The following table of requests for funding are considered a change in operations that are not directly attributed to the pandemic. The requests were included in the December 7, 2020 report to the Finance and Audit Committee so that the Committee could have more time to review them and their potential impact on taxation rates.

#	Dept	Description	Amount \$	% Tax Inc
1	ADM	Training and Public Reception	6,500	0.03%
2	CAO	Miscellaneous Consulting	10,000	0.04%
3	ENG	HVAC and Roof Maintenance	57,900	0.25%
4	ENG	Parks Staff	249,200	1.06%
5	FIRE	Fire Fighter	76,300	0.32%
6	HR	Human Resources Advisor	104,400	0.45%
7	RCMP	RCMP Member	103,800	0.44%
8	REC	Pop-Up Gallery Lease	39,500	0.17%
9	FIN	Transfers to Reserves	375,000	1.60%
Totals			1,022,600	4.36%

As noted in the December 7 report, these requests are required on an ongoing basis and if approved will need to be added to the City's base operating budget starting in 2021 to be funded through taxation revenues. The 2021 taxation rates would have to be increased by an additional 4.36% in order to fund all the requests. The rationale for each item is provided again in this report in Appendix B.

After some discussion at the December 7 meeting, the Committee voted in favor of a resolution to "direct staff to bring forward the budget with the aim to stay between a 1.53% to 2.5% property tax increase." Options to stay below a 2.5% tax rate increase are proposed later in this report.

General Fund Future Years

The tax rate increases built into the operating program shown in the General Fund 2021 – 2025 Draft Financial Plan (Appendix A) includes annual tax rate increases in the range of 4% for 2022 and 2% for each year thereafter primarily to address staffing costs.

Requests for One Time Operating Increases (Appendix C)

The following table lists the requests for funding that are considered one-time operational requirements and are not considered to be directly attributed to the Covid-19 pandemic. The requests were also included in the December 7, 2020 report to the Finance and Audit Committee.

In order to be included in the 2021 operating budget, they are recommended to be funded from the City's Accumulated Surplus Reserve which is consistent with the City's funding strategy for these types of one-time operating expenses. As such, these items will not impact the 2021 taxation rate.

The previously approved items include the city-wide parking review, extension of a Committee Clerk and equipment for IT staff supporting the RCMP. The rationale for each of the proposed items is provided by Departments in Appendix C.

#	Dept	Description	Amount \$
NA		Previously approved items	77,000
10	ENG	Staff to Address Electronic Filing	14,800
11	FIN	Parking Manager Assistance	22,000
12	FIRE	Emergency Management Exercise	20,000
13	HR	AED Implementation	6,300
14	HR	Management Training	30,000
Totals			170,100

Options to Stay Below a 2.5% Tax Rate Increase

As presented in Appendix A, the General Fund requires a 2021 tax rate increase of 1.56% and additional annual increases in the range of 4% for 2022 and 2% each year thereafter. Understanding that the Committee's direction is to cap the 2021 tax rate increase at 2.5%, staff are seeking input on the options to pursue in order to achieve this.

Assuming that the Committee will continue to support the items that are already approved and included (1.56%) as well as the one-time expenses of \$170K that are proposed to be funded from accumulated surplus and do not increase tax rates, then the question of additional funding can be focused around the increases shown in the requests for ongoing operating increases of \$1,022,600 which would require an additional tax rate increase of 4.36% if they were all approved.

The table is repeated here for easy reference.

#	Dept	Description	Amount \$	% Tax Inc
1	ADM	Training and Public Reception	6,500	0.03%
2	CAO	Miscellaneous Consulting	10,000	0.04%
3	ENG	HVAC and Roof Maintenance	57,900	0.25%
4	ENG	Parks Staff	249,200	1.06%
5	FIRE	Fire Fighter	76,300	0.32%
6	HR	Human Resources Advisor	104,400	0.45%
7	RCMP	RCMP Member	103,800	0.44%
8	REC	Pop-Up Gallery Lease	39,500	0.17%
9	FIN	Transfers to Reserves	375,000	1.60%
Totals			1,022,600	4.36%

There are three basic options to consider:

1. Decide which requests could be supported with a total increase of 2.5% in the taxation rate and use reserves to fund any additional requests in 2021. This would delay the additional tax rate increases to 2022 and decrease reserves.
2. Decide which requests could be supported with a total increase of 2.5% in the taxation rate and deny any additional funding requests. This would require foregoing the services that the funding request was said to provide.
3. Direct staff to include any or all funding requests from above and remove funding from another operating program(s) to stay within a 2.5% increase. This option would require detailed analyses to understand the consequences of removing any funding from other programs. It would also require public consultation as it could only be done through the reduction of other services already deemed to be necessary by the community. Note that Staff have already vetted their programs and redirected funds within their portfolios to address small changes in the delivery of the services they provide.

In order to stay at a tax rate increase at a maximum of 2.5% for 2021, requests totaling \$221K (0.94%) could be funded. All departments continue to support their requests and at this time we are seeking the Committee's direction on which ones can be included.

General Fund – General Fund Capital (Appendix D)

The proposed General Fund Capital program is funded from reserves, contributions and grants and includes projects that address annual maintenance and improvements of transportation

infrastructure, civic facilities, parks, vehicles and equipment, and information technology. As noted above, the capital program does not directly impact taxation rates and any changes to the capital projects can only impact the reserve balances.

The table below shows that over the next five years, the City is projecting to spend \$71.9M of which \$2.1M is expected to be funded from Developer Cost Charges (DCC's), \$10.9M from Senior Government Grants, \$4.1M from Contributions and \$54.8M from City Reserves.

CAPITAL EXPENSES	5 Year Total
Municipal Engineering and Operations	\$ 22,824,000
Facilities	12,966,000
Vehicles	1,974,000
Parks	19,458,000
Protective Services	613,000
Information Technology	2,930,000
Parking	1,731,000
Capital Contingencies	9,371,000
Total Capital Expenses	\$ 71,867,000

FUNDING SOURCES	
Reserve Funds	\$ 54,733,000
Development Cost Charges	2,126,500
Grants from Other Governments	10,907,000
Contributions	4,100,500
Total Capital Funding	\$ 71,867,000

A summary of the capital program and funding sources by year is shown at the bottom of the General Fund 2021 – 2025 Draft Financial Plan which is included in Appendix A. The detailed listing of projects by year is provided in Appendix D. Note that the 2021 capital program is a combination of the new requests for 2021 and projects that have been carried forward from 2020.

Municipal Engineering & Operations Projects

This section focuses mainly on transportation related projects, particularly for roadworks. For 2020 and 2021, \$0.9M for pavement overlays is expected that will include the western end of North Bluff Road. Over the next four years, an additional \$2M will be required for the pavement management program. In 2021 and 2022, the second of three phases for utility and streetscape upgrades to Johnston Road is planned with \$2.9M in funding. The third phase for Johnston Road – Thrift Street to Roper Street will require an additional \$4.1M which is planned for 2023/24. Other roadworks projects amount to approximately \$3.5M.

Included in the plan are Council requests for crosswalk improvements on Johnston Road and Marine Drive; sidewalk and retaining wall replacements north of the Centennial Oval; and funding for bus stop accessibility improvements that are 50% funded by Coast Mountain Bus Company.

Other strategic transportation plan and growth projects amount to approximately \$6M in the latter part of the five-year plan and are partially funded by DCC's and other contributions. The remaining funding in this section is allocated to other projects to maintain critical infrastructure and to improve safety and accessibility.

Facilities

The main projects within the facilities section over the next five years includes: continuing to address Centennial Arena building envelope issues (\$1.5M); upgrading Arena lighting and icemaking equipment (\$135K); building envelope and washroom upgrades at the Kent Street Activity Centre (\$480K); addressing operating and space issues at City Hall in 2022/23 (\$3M); and addressing requirements identified in a Facilities Masterplan that are planned to start in 2022 (\$1.8M).

Other funding relates to: improving technological systems in the White Rock Community Centre and Centre for Active Living and (\$35K); HVAC improvements in the Centre for Active Living (\$48K); completing the exterior work including window replacements at the Museum (\$56K); and annual funding of approximately \$120K for the elevator, electrical equipment and miscellaneous furnishings at the Library.

Miscellaneous preventative maintenance initiatives, equipment replacements and upgrades are also requested for other City Facilities.

This section also includes a \$4M placeholder in 2025 for an affordable housing project to be funded from the newly created Affordable Housing Reserve, should Council decide to allocate the \$4M to this reserve from the Community Amenity Contribution Reserve.

Vehicles

The ongoing vehicles and equipment replacement program of \$2M over the next five years includes ten Public Works Vehicles and snow removal equipment such as plows and sanders (\$1.1M), six Parks vehicles (\$354K), one Facilities vehicle (\$50K), one Development Services vehicle (\$36K), and two parking vehicles (\$80K) and two Fire department vehicles and one trailer (\$331K).

Parks

The City's five-year capital program of \$19.1M in the next five years includes an \$11M project for the Pier Restoration Completion project. This project is currently funded from senior grants (\$8M), contributions from donations (\$2M) and Community Amenity Contributions (\$1M). To date the City has not been successful in receiving a grant for this project and donations to date are in the range of \$400K. Without the grant and donations, the project is expected to have to be scaled back or delayed.

The larger projects in the remaining \$8.1M for parks infrastructure relates to: slope stabilization near the Coldicutt Ravine (\$2.0M); a second all abilities playground and potential land purchase (\$2M of which \$1M is expected from contributions); Centre St Walkway improvements in 2023 (\$500K); new tree lights from the Pier to P'Quals and an annual tree light replacement program (\$1M); completion of the Bay Street and Cypress Street beach accessible access (\$200K); and a permanent display unit for an antique fire truck at the Fire Hall (\$350K).

There is also funding in the parks section for: public art (\$500K); tree management (\$272K); surface protection of the "White Rock" (\$180K); electronic controls for the Prospect Clock Tower (\$70K) and many other projects for playgrounds, trails, walkways, and horticultural displays and irrigation systems that make up the difference.

Protective Services

\$613K in funding over the next 5 years is required for protective services which includes: server room and structural modifications in the RCMP building in 2021 (\$200K); Fire Hall roof replacement in 2021 (\$234K); and miscellaneous projects and fire safety equipment (\$179K).

Information Technology

As reliance on technology grows, so does the City's requirements to maintain its equipment and software. The capital program includes \$2.9M for this work of which \$1.5M is budgeted for a replacement of the City's financial system. The remaining \$1.4M is to address the annual computer and infrastructure replacements program (\$580K) as well as to implement new software and equipment that will enable the City to be able to improve on its eCommerce and digitization of information.

Parking

The City's parking capital program of \$1.7M is primarily for maintaining existing parking infrastructure with \$1.1M of those funds to be spent in 2022/23 on the Marine Drive parking lot rehabilitation between Oxford Street to the Museum. In addition, within the \$1.7M is funding for license plate reader technology, electric vehicle charging stations and parking meter upgrades.

Capital Contingencies

The \$9.4M in funding for capital contingencies includes approximately \$1.5M for slope stabilization on the Duprez Ravine and \$1.4M that was allocated in 2020. This funding is budgeted to allow for some flexibility within the capital program to deal with emergent opportunities and unexpected costs.

General Fund – General Fund Reserves

The City's Reserves are meant to provide stability and long-term sustainability for City operations. It is important to maintain reserves that can address future asset replacement, growth and progressive changes as expected by the community. The reserves are monitored to ensure the annual requirements can be sustained and when it appears that the pressures outweigh the contributions, it becomes necessary to either increase the contributions through an increase in taxation revenues or decrease the work plans.

The following graph shows the projected General Fund operating and capital reserve balances based on the projections provided in the 2021 – 2025 Draft Financial Plan. While the overall balance is projected to be in the range of \$40M annually which would seem reasonable, these balances are dependent on the projections being realized as presented. It is important to note that some reserves are restricted to what they can be spent on depending on the legislation that applies to them and whether they have reserve bylaws that limit their use.

Utility Funds Operations and Capital (Appendices E and F)

Utility Rates

The City's Utility rates are determined through the development of the City's Five-Year Financial Plan which considers the Utilities' projected revenues and expenses, capital requirements, reserves and debt load. While it was necessary to adopt the 2021 Water Utility rates in December 2020 to be in place for January 1, 2021, the other utilities are billed at the same time as the City levies the municipal taxes which is typically done in May. Based on the financial projections included in this report, the Drainage Utility rates are proposed to increase by 4.5% for 2021 while the Solid Waste and Sewer Utilities are expected to be able to be managed with 0% increases for 2021.

The 2021 – 2025 Draft Financial Plans for each of the City's Utilities, which are subsets of the City's consolidated Draft Financial Plan, are discussed below. Each section includes a summary of the main categories of the draft financial plans which are in Appendix E. The detailed listing of each of the Utilities' Capital Programs are included in Appendix F.

Sewer Utility

	Budget Projections (\$000)				
Sewer Utility	2021	2022	2023	2024	2025
Revenues	3,915	3,972	4,317	4,547	4,564
Operating Expenses	3,889	3,334	3,586	3,900	4,326
Capital	3,160	675	2,223	2,070	2,023
Internal Charges	492	502	512	522	532
Reserves	11,878	11,437	9,888	8,445	6,628
Rate Increase	0.0%	3.0%	3.0%	5.0%	5.0%

Revenues

Revenues generated through sewer user rates are used to operate and maintain the City's sanitary sewer infrastructure. Sewer user rates are projected to be 0% in 2021 and to increase by 3.0% in 2022 and 2023, then increased by 5.0% in 2024 and 2025 primarily to address increasing operating costs driven by Metro Vancouver rate increases; funding the Utility's capital program; and to build capital reserves that will be necessary to address future needs. The sewer utility reserves are projected to be approximately 6.6% of the utility's asset replacement value by 2025.

Operating Expenses

The Sanitary Sewer Utility's main operating expenses relate to staffing, materials and supplies, contract maintenance, payments to Metro Vancouver and asset amortization. The Draft 2021 to 2025 Financial Plan includes small increases in 2021 for staffing and an increase related to increased costs for sewage treatment from Metro Vancouver.

Capital

The Sanitary Sewer Utility's capital budget provides for capacity upgrades, inflow & infiltration mitigation and sewer rehabilitation. The development of the capital program is guided by the City's asset management process and the Sanitary Sewer Master Plan which was updated in 2019. Over the next five years the Sanitary Sewer Utility's capital budget is in the range of \$700K to \$3.2M annually.

The capital program is primarily funded through reserves although there are projections for Developer Contributions.

Drainage Utility

	Budget Projections (\$000)				
Drainage Utility	2021	2022	2023	2024	2025
Revenues	9,848	3,169	3,564	3,725	3,880
Operating Expenses	1,226	1,336	1,364	1,400	1,418
Capital	15,930	1,028	1,574	1,800	1,886
Internal Charges	593	605	617	629	642
Reserves	3,297	4,280	5,103	5,841	6,616
Rate Increase	4.5%	4.5%	4.5%	4.5%	4.5%

Revenues

Revenues generated through drainage user rates are used to operate and maintain the drainage utility. Drainage user rates are projected to increase by 4.5% annually over the next five years primarily to address increasing operating costs driven by materials expenses; funding the Utility's capital program; and to build capital reserves that will be necessary to address future needs. The drainage reserves are projected to be approximately 5% of the utility's asset replacement value by 2025.

Operating Expenses

The Drainage Utility's main operating expenses relate to staffing, materials and supplies, contract maintenance, and asset amortization. The Draft 2021 to 2025 Financial Plan includes small increases in 2021 for staffing.

Capital

The Drainage Utility's capital budget provides for renewal and replacement of infrastructure; drainage related to roads projects; and projects included in the Columbia Diversion Plan that is intended to capture drainage waters currently discharged to Surrey and to Semiahmoo First Nation (SFN) lands. This large capital plan is contingent on successful ongoing consultation with Surrey and SFN plus senior government grant funding. The development of the capital program is guided by the City's asset management process and the Drainage Master Plan which was updated in 2019. Over the next five years the Drainage Utility's capital budget is in the range of \$1M to \$16M annually.

The capital program is primarily funded through reserves although there are projections for Developer Contributions and hopes of some Senior Government Grants. Note that the large capital project in 2021 cannot be carried out without Senior Government Grants.

Solid Waste Utility

	Budget Projections (\$000)				
Solid Waste Utility	2021	2022	2023	2024	2025
Revenues	1,557	1,616	1,675	1,735	1,796
Operating Expenses	1,351	1,167	1,188	1,209	1,230
Capital	1,951	17	-	-	-
Internal Charges	435	444	453	462	471
Reserves	353	336	336	336	336
Rate Increase	0.0%	4.0%	3.9%	3.8%	3.7%

Revenues

Revenues generated through solid waste user rates are used to operate the Solid Waste Utility and are based on the current collection model. A report reviewing solid waste collection will be considered by Council over the next months and may result in the City taking on collection in multifamily and Commercial areas. This would significantly alter the budget.

Operating Expenses

The Solid Waste Utility's main operating expenses relate to staffing, materials and supplies, contract maintenance, trucking costs and tipping fees. The Draft 2021 to 2025 Financial Plan includes small increases in 2021 for staffing and an increase in trucking costs

Capital

The Solid Waste Utility's capital program is for the replacement of trucks and equipment and is funded through equipment reserves that the utility has been contributing to over time. The \$2M capital work in 2021 is for five new solid waste vehicles that were approved and ordered in 2020. Delivery of the trucks is expected in 2021.

Water Utility

	Budget Projections (\$000)				
Water Utility	2021	2022	2023	2024	2025
Revenues	6,202	6,575	6,981	7,950	8,238
Operating Expenses	4,589	5,069	4,682	4,830	5,341
Capital	3,905	2,822	1,808	2,870	2,375
Debt Retirement	710	733	756	781	806
Internal Charges	489	499	509	519	529
Reserves	3,307	2,269	2,629	2,763	3,133
Rate Increase	6.5%	6.5%	6.5%	6.5%	6.5%

Revenues

Revenues generated through water user rates are used to operate and maintain the water distribution system. Water user rates are projected to increase by 6.5% annually over the next five years primarily to address increasing operating costs driven by water treatment filtration expenses; paying for the purchase of the Utility through debt financing; funding the Utility's capital program; and to build capital reserves that will be necessary to address future needs. Billing is done quarterly which means the rates needed to be in place, through bylaw, by January 1 for the upcoming year which was done in December 2020. The water utility reserves are projected to be approximately 2.5% of the utility's asset replacement value by 2025.

Operating Expenses

The Water Utility's main operating expenses relate to staffing, materials and supplies, contract maintenance, interest on long-term debt and asset amortization. The Draft 2021 to 2025 Financial Plan includes small increases in 2021 for staffing and an increase related to filtration materials that must be replaced periodically. There is another increase for the filtration materials that is scheduled for 2022 and 2025 causing those years to increase as well.

Capital

The Water Utility's capital budget provides for replacements of end of life city water mains, associated trench restoration, new additions to meet future population growth and the replacement of equipment. The budget also provides for the renewal and replacement of water wells, reservoir components and treatment facilities and includes provision for the assessment of the network for system optimization and prioritization of improvements. The development of the

capital program is guided by the City's asset management process and the Water Master Plan which was updated in 2017. Over the next five years the Water Utility's capital budget is in the range of \$1.8M to \$3.9M annually.

The capital program is primarily funded through reserves although there are projections for Developer Contributions and hopes of some Senior Government Grants in future years.

FINANCIAL IMPLICATIONS

This report outlines the proposed 2021 – 2025 Draft Financial Plan and discusses potential tax and utility rate increases required to support the plans. The financial implications are as described in this report which may be refined as directed in this meeting.

LEGAL IMPLICATIONS

Not Applicable.

COMMUNICATION AND COMMUNITY ENGAGEMENT IMPLICATIONS

The information provided in this report is meant to inform Council of potential impacts on the City's 2021- 2025 Draft Financial Plan and to seek Council's direction on this plan. Upon receiving direction, staff will make any necessary revisions that will be presented in open meeting of Council for public consultation.

INTERDEPARTMENTAL INVOLVEMENT/IMPLICATIONS

All departments have provided input for this report.

CLIMATE CHANGE IMPLICATIONS

The City's efforts to address climate change are built into the capital and operating programs through delivery of services and infrastructure.

ALIGNMENT WITH STRATEGIC PRIORITIES

The City's 2021 – 2025 Draft Financial Plan has been prepared to address the City's mandates, plans and programs within the City's financial constraints which takes into account Council's direction through Council's Strategic Priorities.

OPTIONS / RISKS / ALTERNATIVES

The proposed financial plans for the City's Operating and Capital Programs for the General and Utility Funds presented in this report have been prepared to find a balance between affordability and providing resources to a growing community.

As presented, the General Fund would require a 2021 tax rate increase between 1.56% and annual increases in the range of 4% in 2022 and 2% each year thereafter. An additional increase of 4.36% is also requested. Understanding that the Committee's direction is to cap the 2021 tax rate increase at 2.5%, staff are seeking input on three options that are described in the body of the report that will each have their own implications.

For the Utilities, the Drainage Utility Fund requires a utility rate increase of 4.5% in 2021 and each year thereafter whereas the Sewer and Solid Waste Utility Funds could manage with a 0% increase in 2021 and annual increases in the years after. Council has already approved a 6.5% increase for the 2021 Water Utility rates which had to be in place by January 1, 2021.

There is less discretion for options in the Utility Funds as the expenses and capital projects are required to maintain and operate the Utilities' assets and systems. Any changes to the proposed rate increases would reduce reserve balances and potentially compromise the City's ability to maintain the infrastructure in future years.

CONCLUSION

The information and proposed budget increments included in this report are provided for the Committee's consideration in preparation of the 2021 – 2025 Consolidated Financial Plan which includes the City's capital and operating programs for the General and Utility Funds which are the basis for determining the City's municipal tax and utility rate increases.

Upon receiving direction from the Committee, staff will make the necessary revisions to the Draft Financial Plans that will then be presented in open meeting of Council and will include public consultation. The meeting would be in February 2021 with the goal to have Council adopt the 2021 – 2025 Financial Plan Bylaw in March 2021. As per the Community Charter, the City must adopt its 2021 – 2025 Financial Plan Bylaw by May 15, 2021.

Respectfully submitted,

Colleen Ponzini, CPA, CGA
Director, Financial Services

Comments from the Chief Administrative Officer

I concur with the recommendations of this corporate report.

Requests for Ongoing Operating Increases

#	Dept	Description	Amount \$	% Tax Inc
1	ADM	Training and Public Reception	6,500	0.03%

In 2019 and 2020, the City hosted a public State of the City event at the White Rock Community Centre. With Council requesting to have a public component in addition to the Mayor's State of the City address hosted by the SS&WR Chamber of Commerce, staff estimate \$3.5K will be required to address the public component.

The remaining \$3K is to provide some training for staff to be able to facilitate meetings with Council that are anticipated to occur in 2021 and future years.

#	Dept	Description	Amount \$	% Tax Inc
2	CAO	Miscellaneous Consulting	10,000	0.04%

This request for funding is to address the expected use of various facilitators and or consultants periodically through the Office of the CAO. Having these funds available enables the CAO to maximize the impact of coordinating and delivering on Council initiatives.

#	Dept	Description	Amount \$	% Tax Inc
3	ENG	HVAC and Roof Maintenance	57,900	0.25%

Contract maintenance is expected to increase because many of the HVAC systems and roofing are near end of life. Repairs and parts replacement are required to maintain the building. Delaying the maintenance and repairs of these assets typically increases costs in later years and increases risks of failure.

#	Dept	Description	Amount \$	% Tax Inc
4	ENG	Parks Staff	249,200	1.06%

Recent experience managing Parks during the COVID-19 pandemic has demonstrated the success of "boots on the ground" in conjunction with a structured organized approach towards Parks Operations. Additionally, increased leadership and focus is needed for Parks Health and Safety to ensure employee safety and to also improve the City's experience rating with WorkSafe BC which will reduce the City's WCB rates.

Accordingly, the replacement Parks Manager will focus on Health and Safety and a leaner structure designed to deliver clearly scheduled operations. In house staff will be utilized to meet clear maintenance schedules as opposed to past practice of calling in contractors on an ad hoc basis. The contract services will still need to continue during to peak demand periods and when specific skill sets are required. These contract activities will be planned in advance as part of overall schedules.

The above funding increase is necessary to continue the current level of Parks maintenance that elicited many positive comments from the public in 2020 and far fewer complaints than previous years. Part of the reason for the success in 2020 was the reassignment of resources from other City Departments per Council's direction regarding the Covid-19 pandemic response; however, this resource reassignment is not expected to occur in 2021. The requested temporary full-time staff will fill this gap in 2021 and in future years.

#	Dept	Description	Amount \$	% Tax Inc
5	FIRE	Fire Fighter	76,300	0.32%

White Rock Fire Rescue has experienced a significant increase in call volume over the last five years. The five-year average from 2010 - 2014 was 1448 calls per year compared to the five-year average from 2015 – 2019 of 1811 calls per year. This represents a 25% increase in the number of calls which has also resulted in an escalation in the number of simultaneous calls received. Our response to simultaneous incidents is currently provided by auxiliary staff or career staff when capacity exists. These calls prove problematic during weekdays when Auxiliary staff is limited due to full-time work commitments. Auxiliary capacity is also challenged over long weekends and throughout the summer holidays.

In the 2018 - 2022 Financial Plan, White Rock Fire Rescue recommended phasing in two additional firefighters, one in 2021 and another in 2022. The two were added to the adopted Financial Plan at that time in 2021 and 2022. The additional firefighters would bring our staffing level up to an optimal 24 and allow for five firefighters per shift on a full-time basis. A five-person shift allows White Rock Fire Rescue to have two responding apparatus, a three-person Engine Company and a two-person Squad Company. During 5-person shifts the Squad is used as the primary response vehicle on medical calls while the Engine becomes the secondary vehicle should there be a simultaneous call or should additional assistance be required. By increasing our staff level to 24 career firefighters, a five-person shift could be maintained 24/7, improving the overall operational capacity of the Department. Adding one fire fighter position in 2021 would result in 162 additional staffed shifts over the year and enable the scheduling of up to 587 five-person shifts throughout the year, dependent on employee leaves.

As the City grows in density and population the expectation is that call volumes will continue to increase. The City has over one thousand residential units coming into our housing stock in 2020 and 2021. The increase in the number of high buildings in our City also impacts time spent at incidents, based on distances travelled to the bedside and back to apparatus, making crews unavailable for longer periods of time. Our new buildings and commercial spaces will also require fire inspections annually.

Benefits of a five-person shift include:

- Minimize the impact of relying upon auxiliary availability.
- Reduced response times during simultaneous incidents.
- Improved capacity would assist in dealing with most incidents, particularly weather events and fires, providing additional personnel and equipment.

- Reduction in overtime paid with increased capacity realized. (estimated annual savings of \$23K)
- A potential reduction in wages paid to Auxiliary staff.
- Maintain and improve inspection and fire prevention programs

If we do not increase our firefighter staffing level and call volume continues to rise as is expected, service levels will be impacted, and crew deployment times will increase.

#	Dept	Description	Amount \$	% Tax Inc
6	HR	Human Resources Advisor	104,400	0.45%

Over the last number of years, Human Resources has faced a growing client base and increased levels of complexity in our work that has arisen out of changing Human Rights, WorkSafeBC and privacy legislation. Because of this increased volume and complexity, our Human Resources professionals have struggled to provide the essential HR services levels to our employee and management groups. Most significantly, service levels are less than ideal in corporate leave management, employee and leadership development, mental health, employee wellness, and health and safety management support.

Human Resources' current structure includes two Advisor positions who bring the necessary experience and expertise to deliver the essential service levels, one in HR and one in Safety. Although leave management programs typically sit on the HR side, given there are only two Advisors, to date leave management has been one of the portfolios assigned to the Safety Advisor, which currently occupies approximately 40% of her time. Roughly 50% of her daily work is spent advising, directing and supporting managers, supervisors, and employees in safety matters. This leaves only 10% of her time to dedicate to high-risk safety program work. Ideally, leave and stay at work programs should be assigned to an HR Advisor so that the Safety Advisor can provide better support to the City's safety program.

Although the City's WorkSafeBC experience rating has improved over the last several years, we continue to pay a surcharge rate and our safety record has been less than ideal. For this reason and because employee safety is paramount, at the very least more emphasis must be placed on our safety program by removing the leave management portion from the Safety Advisor's portfolio and assigning it to the HR side. Without an additional HR Advisor in place, this will mean we will continue to be unable to improve our current services in areas such as leadership and employee development, but also, we will have less resources available to the City's recruitment function given our HR Advisor will now be absorbing the leave management. Essentially, we will be looking at delays in filling our vacancies without an additional HR Advisor.

#	Dept	Description	Amount \$	% Tax Inc
7	RCMP	RCMP Member	103,800	0.44%

Prior to 2018, the detachment has had 23 full-time police officer positions for over a decade. In 2018 Council approved an increase of two members for a total of 25 full-time police officers. This was part of a resource plan to increase each watch from 4 to 5 regular members.

White Rock is predominantly a frontline detachment. The frontline officers are divided into four watches providing 24-hour emergency response and investigative services. The watches consist of 1 supervisor and 4 constables, except for the fourth watch that only has three constables. The fourth constable position on the frontline is the position that this funding request addresses. The frontline officers are responsible for emergency call response, critical incidents, routine calls for service, collision investigation, traffic enforcement, general patrols, as well as conducting the majority of all criminal investigations in White Rock.

The additional officer is required to ensure that the detachment has the capacity to provide minimum officer coverage, which is challenged due to training, annual leave, court, adjusted shift, and long-term leaves. The long term leaves are for paternity and maternity, in addition to longer term medical related leaves. When an officer is unable to work due to one of the long-term leaves just mentioned, and the duration is over 30 days, the wages for that officer are not billed to the City. However, the RCMP does not have a policy in place to backfill these positions; therefore, the positions remain blocked and any resource shortfalls are covered by overtime (paid at double the regular rate).

An additional officer will provide the capacity to ensure minimum coverage can be maintained which will reduce the need for overtime. This is important as too much overtime can be detrimental to officers' health through increased workload.

This request will also impact 2022 in the amount of \$37K as the position would be funded from April to December in 2021 as the RCMP has a fiscal year end of March.

#	Dept	Description	Amount \$	% Tax Inc
8	REC	Pop-Up Gallery Lease	39,500	0.17%

The City of White Rock takes great pride and interest in our local artists and acknowledges the importance of supporting their creative work and livelihood. White Rock City Council has in the past viewed arts and culture as our second largest industry after tourism and are greatly invested in seeing arts and culture thrive and grow in our community.

The City's 2014-2018 Cultural Strategic Plan identified the need for an art gallery in the Town Centre area of White Rock where artists could create and showcase their work. The goals of the Gallery are:

- To encourage growth of the creative/artistic sector in White Rock.
- To inspire and facilitate new artistic businesses.
- To expand local residents' understanding and appreciation of creative endeavors that exist in the community.
- To position the Gallery as a visitor destination, and a hub within the Town Centre cultural district.
- To enliven uptown White Rock by expanding retail commercial activity.

The Gallery is managed by the City's Manager of Cultural Development, but is operated by local artists on a volunteer basis. Groups of local artists must apply to use the Gallery to create, showcase, rehearse and/or sell their work for a month, after which a new group of artists are

allocated the space. The artists are required to open the Gallery for public viewing for a minimum of four days per week and a minimum of 15 hours/week.

The City does not currently own a suitable building that can be used as a public art gallery. By leasing storefront commercial space, and negotiating a discounted lease by providing naming rights, then having artists operate it, the City has been able to fulfill our community need for a public art gallery at a very low cost to the City.

The original Pop-Uptown Gallery opened in 2017 in storefront commercial space located beside the Rexall Drug Store on Johnston Road owned by Bosa. This lease was terminated in winter 2017, due to the start of construction of Miramar Towers C and D.

The Landmark Pop-Up Town Gallery has been in operation since February 01, 2018 in a 1,400 sq. ft. space leased from Landmark Premiere Properties at Central Plaza at a rate of roughly \$29K/year. The City gets a reduced lease rate for this space by providing naming rights to the landlord - Landmark Premier Properties. In addition to the annual lease, the City spent approximately \$50K on tenant improvements in 2018 to make the space suitable for use as an art gallery. This lease with Landmark Premiere Properties was for a three-year term, which expires at the end of January 2021.

The City had provided funding for the Pop-Up Gallery lease in each of the past three years. If the current lease is renewed with the current landlord, the expected annual budget required is \$42K/year.

Staff are in the process of reviewing other lease options for a Pop-Up Gallery in the Town Centre area which are expected to be more costly alternatives.

#	Dept	Description	Amount \$	% Tax Inc
9	FIN	Transfers to Reserves	375,000	1.60%

City reserves are important to address future asset replacement, growth and progressive changes as expected by the community. In addition, reserves provide stability and long-term sustainability for city operations.

The annual contributions to reserves from taxation are generally to support capital projects related to transportation, parks, facilities and equipment. As new assets are added it is recommended that funding allocations increase to ensure the assets can be maintained and replaced in the future.

The reserves are monitored to ensure the annual requirements can be sustained and when it appears that the pressures outweigh the contributions, it becomes necessary to either increase the contributions or decrease the work plans. This increase in the transfers to reserves is proposed to ensure adequate funding remains available for capital projects.

Requests for One Time Operating Increases

#	Dept	Description	Amount \$
10	ENG	Staff to Address Electronic Filing	14,800

The electronic filing system allocated to the Engineering & Municipal Operations department has structural flaws, some of which the IT department has deemed as very serious and require immediate attention. In addition, the file system requires attention in order to meet records management standards. It is estimated that the project will take three months to complete.

#	Dept	Description	Amount \$
11	FIN	Parking Manager Assistance	22,000

The Parking Services division is overseen by a Parking Manager who spends considerable effort addressing the multitude of issues around parking in the City in timely fashion. It is expected that in 2021, the Manager will have to play a critical role in the City's parking review and any implementation of changes that result. This funding is requested to provide backfill for the Manager's role with current staff which will enable Parking Services to continue to respond in a timely and effective manner.

#	Dept	Description	Amount \$
12	FIRE	Emergency Management Exercise	20,000

Preparedness is the phase of emergency management during which action is taken to ensure readiness to undertake emergency response and recovery. It includes but is not limited to, planning, resource planning, staff management, training, exercises, stakeholder education and continuous improvement.

White Rock Fire Rescue is requesting funding to employ a consulting firm to assist in the design and organization of an Emergency Management exercise. The intention of the exercise is to apply Emergency Operations Command (EOC) training concepts to a hazard scenario while building the confidence and competence of personnel designated with response roles. This will include the implementation of extraordinary authorities, public information dissemination, situational awareness, resource management, cost recovery and associated interactions and process flows. The exercise is intended to create a realistic and manageable, yet complex event that will stress participants without overwhelming them.

Proposed is a series of concise, function specific training modules to be delivered by a consultant to pre-designated senior staff from all City departments in the lead up to the exercise (five half day sessions, approx. 25 participants). The training provided will ensure participating senior staff are comfortable performing a role in our EOC. The exercise will allow personnel to apply and practice the skills they have learned. Cross training of staff is recommended to add organizational depth and operational flexibility.

A written after-exercise report will be provided by the consultant and will include a summary of observations and recommendations.

Fire Rescue is working with the City's grant consultant in exploring a UBCM grant opportunity through the Community Emergency Preparedness Fund. If the grant application is successful, it would cover the cost of the exercise.

#	Dept	Description	Amount \$
13	HR	AED Implementation	6,300

As part of an effective emergency response program that was initiated in prior years, Automated External Defibrillators (AED's) should continue to be installed. AED's can be used by non-medical people for prompt delivery of CPR. Recreation and Culture and Engineering Operations already have the AED's. This funding request is for the next phase of the implementation which is to introduce units in City Hall and the Annex.

#	Dept	Description	Amount \$
14	HR	Management Training	30,000

Continuation of management leadership training and teambuilding will contribute to the City's overall success in reaching Council goals and objectives.

THE CORPORATION OF THE
CITY OF WHITE ROCK
CORPORATE REPORT

DATE: January 25, 2021

TO: Finance and Audit Committee

FROM: Colleen Ponzini, Director, Financial Services

SUBJECT: Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370

RECOMMENDATION

THAT the Finance and Audit Committee endorse the proposed “Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370.”

EXECUTIVE SUMMARY

This bylaw amendment is a housekeeping amendment. It was discovered after the 2021 Fees and Charges Bylaw, 2020, No. 2369 was presented to Council for three readings on December 7, 2020, that the Auditorium rental fees for the Kent Street Activity Centre under schedule G were incorrect. This bylaw amendment corrects those fees.

INTRODUCTION/BACKGROUND

During the preparation of the Fees and Charges Bylaw in December of 2020, an error was made in schedule G for the Kent Street Activity Centre as follows:

Item	Current Rate	Correct Rate
Auditorium		
Commercial Rate	\$94	\$98
Not for Profit Rate	\$58	\$63
Private Rental Rate	\$77	\$83
Statutory Holiday (min 2 hours)	\$104	\$108

This bylaw will amend the fees to the correct values.

FINANCIAL IMPLICATIONS

Not Applicable.

LEGAL IMPLICATIONS

Not Applicable.

COMMUNICATION AND COMMUNITY ENGAGEMENT IMPLICATIONS

Not Applicable.

INTERDEPARTMENTAL INVOLVEMENT/IMPLICATIONS

Not Applicable.

CLIMATE CHANGE IMPLICATIONS

Not Applicable.

ALIGNMENT WITH STRATEGIC PRIORITIES

Not Applicable.

OPTIONS / RISKS / ALTERNATIVES

The following option is available for the Committee's consideration:

1. Not endorse the proposed Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370, resulting in the Auditorium rental fees for the Kent Street Activity Centre falling behind the cost of providing the services.

CONCLUSION

The proposed changes in Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370 will correct the Auditorium rental fees for the Kent Street Activity Centre.

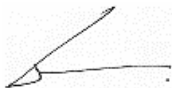

Respectfully submitted,

Colleen Ponzini, CPA, CGA
Director, Financial Services

Comments from the Chief Administrative Officer

I concur with the recommendation of this corporate report.

Guillermo Ferrero
Chief Administrative Officer

Appendix A: Fees and Charges Bylaw, 2020, No. 2369, Amendment No. 1, 2021, No. 2370

**THE CORPORATION OF THE
CITY OF WHITE ROCK
BYLAW 2370**

**A Bylaw to amend Schedule “G” of the Fees and Charges Bylaw, 2020, No. 2369
in regards to facility rentals.**

The Council of the City of White Rock, in open meeting assembled, enacts as follows:

1. The fees for “Auditorium” rentals under **Schedule “G” KENT STREET ACTIVITY CENTER** of the Fees and Charges Bylaw, 2020, No. 2369, be amended as follows:

Auditorium	
• Commercial Rate	\$98
• Not for Profit Rate	\$63
• Private Rental Rate	\$83
• Statutory Holiday (min 2 hours)	\$108

This Bylaw may be cited for all purposes as the “Fees and Charges Bylaw, 2020, No 2369 Amendment No. 1, 2021 No. 2370”

The Financial Plan is like your household finances:

Equity in Reserves and Assets = Savings and Assets

Long-Term Debt = Borrowing

Capital and Operating Expenses = Spending

Revenue = Income

	CAPITAL	OPERATIONS
Revenues	Reserves	Property taxes
	Grants	User fees and rates
	Contributions	Sale of services
		Fines and permits
Operating Expenses		Functional areas
		Protective Services
		Parks, Recreation & Culture
		Transportation, Engineering & Operations
		General government
		Utilities
		Types of Expenses
		Staffing
		Contract services
		Long-term debt interest
		Materials and supplies
		Utility purchases
Capital Expenses	Asset maintenance	Staff and resources to deliver capital programs
	Asset replacement	
	City operations	
	Community services	
Long-Term Debt	Water Utility	Annual debt interest payments
		Annual debt principle payments
Equity- Reserves	Land sales	Annual contributions to reserves
	Developer contributions	
Equity- Tangible Capital Assets	Land	Depreciation of assets
	Buildings	
	Vehicles and equipment	
	Park improvements	
	Transportation infrastructure	
	Water, Sewer and Drainage Infrastructure
