Greetings,

I am one of two neighbours located immediately behind the proposed project at 15733 Thrift Avenue.

Please see attached letter of support.

As an immediate neighbour, I fully support the project as proposed by the proponents Patrick Mullin and Ainsley Winter.

I also commend the proponents for making efforts to speak to neighbours and for their efforts to address relevant concerns.

I look forward to welcoming my new neighbours and encourage the passage of the project as proposed.

Thank you

David MacIntyre

I want these written comments to be given to Council
and have the comments documented.

I am concerned that nothing has been communicated regarding Asbestos Abatement.

I want my backyard and pool area tarped off during the demolition period to prevent Asbestos
and other falling material fall into my pool.

Sincerely

Barry Kozar
