Subject: Q/A for March 13 2022
Date: March 13, 2023 11:59:55 AM

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

In previous Q/A sessions I have asked about clarification of the list of employees and the job descriptions of the employees.

My question this evening is that based on the list I received through FOI of the 119 positions that I received in December of last year, the subsequent clarification of the 180 positions referenced in the current financial plan and the list I received through Q/A of the total cost of labour for City Employees of \$17 million dollars including benefits.

Would it be possible to provide me with a list that combines a description of each of the 180 positions complete with the salaries associated with those positions in time for the next Finance and Audit committee meeting?

Thank you,

Gary Gumley.

Hi Gary,

Thank you for your email. Council has given direction to proceed with the budget process and the financial plan as presented. If I receive further direction from Council to compile a detailed review, as you've noted, I would of course undertake that work.

In order to obtain the records for your own analysis/review, please request them and we will provide what we have via an FOI following due process.

Thanks,
G.
