A G E N D A

1. CALL MEETING TO ORDER

1.1. FIRST NATIONS LAND ACKNOWLEDGEMENT

We would like to recognize that we are standing/working/meeting on the traditional unceded territory of the Semiahmoo First Nation, and also wish to acknowledge the broader territory of the Coast Salish Peoples.

2. ADOPTION OF AGENDA

RECOMMENDATION

THAT the Corporation of the City of White Rock Council adopt the agenda for its special meeting scheduled for June 1, 2020 as circulated.

3. ADOPTION OF MINUTES

a) May 25, 2020 – Regular meeting

Page 4

RECOMMENDATION

THAT the Corporation of the City of White Rock Council adopt the following meeting minutes as circulated:

a) May 25, 2020 – Regular meeting

4. PETITIONS

RECOMMENDATION

THAT Council receive for information the following petitions as circulated with the agenda:

- 4.1 Petition dated May 13, 2020 submitted by P. Rogers containing 49 signatures under the following statement: **Page 18**

“We are requesting that Mayor of White Rock ask the Semiahmoo Band to reopen their parking lot adjacent to the Indigenous Bloom Business. This will relieve the traffic and parking congestion on Marine Drive and Parker Street. Because Indigenous Bloom have security guards already on their property they can have control over the vehicles parking to ensure that only patrons of Indigenous Bloom can park there. By doing this it will relieve the constant traffic turning around on residential driveways and parking on the side streets off of Marine Drive”.

- 4.2 Petition / seven (7) form letters received April 29, 2020 with signatures under the following statement:

“We, the residents living on Parker Street by Marine Drive want to have the pay parking stalls (currently 15 minute parking) on Parker Street changed to Permit Only parking for residents. This is a residential street and since the Bloom Pot shop on Marine opened there has been chronic overuse of these 3 stalls. This promotes accidents. They are not needed for the commercial units in front as there is pay parking there and they have underground access. Please convert WR stalls Nos. 4800, 4801, 4802 to resident parking by permit only”. **Page 24**

5. CORPORATE REPORTS

5.1 COVID-19 GLOBAL PANDEMIC (VERBAL UPDATE)

Chief Administrative Officer and Fire Chief to provide a verbal update regarding the COVID-19 Global Pandemic.

RECOMMENDATION

THAT Council receives the verbal report regarding the COVID-19 Global Pandemic provided by the Chief Administrative Officer and the Fire Chief.

5.2 RESIDENT ONLY FOUR HOUR PARKING AREA ON EAST BEACH **Page 31**

Corporate report dated June 1, 2020 from the Director of Financial Services titled “Resident Only Four Hour Parking Area on East Beach”.

RECOMMENDATION

THAT Council:

1. Receive for information the corporate report dated June 1, 2020, from the Director of Financial Services, titled “Resident Only Four Hour Parking Area on East Beach;”
2. Designate the 63 parking stalls in the recently opened Totem Park (Cypress Lot) section of East Beach as “resident only” four (4) hour free parking during the COVID-19 pandemic; and
3. Designate the currently closed 59 parking stalls in East Beach for public pay parking with a maximum three (3) hour stay.

6. MOTIONS

The following Notices of Motion were provided at the May 25, 2020 Regular Council meeting:

Councillor Chesney provided two (2) Notices of Motion (Items 6.1a and 6.2b) that are now presented for Council consideration at this time:

1. Receives for information the corporate report dated May 25, 2020 from the Director of Financial Services, titled “Resident Permit Parking on 1500 Block, Kent Street”; and
2. Endorses no changes to the current parking restrictions be made on the 1500 Block of Kent Street.

CARRIED

Councillors Chesney and Trevelyan voted in the negative

Discussion included concerns with respect to continuity of messaging, noting that the evolving signage could add confusion to the matter should there be a trial period implemented.

Staff also reported that ICBC had included this as an area in a need for sidewalks to address safety, and that having a trial period for parking could pose risks.

This area is part of the City’s Master Transportation Plan Review that is to be conducted.

Subsequent Motion

2020-303

It was MOVED and SECONDED

THAT Council directs staff to review the parking in the area of 1500 Block of Kent Street and restore resident only parking on the east side of Kent Street that would be in effect at all times of the day (24/7).

DEFEATED

Councillors Fathers, Johanson, Kristjanson, Manning and
Mayor Walker voted in the negative

Subsequent Motion

2020-304

It was MOVED and SECONDED

THAT Council directs a letter be written from White Rock City Council to the Surrey School District, with a copy to the MLA and MP that outlines issues and concerns in relation to parking and drop off at Earl Marriott Secondary School and the resulting overflow onto adjacent residential streets.

Petition to White Rock City Council

We are requesting that the Mayor of White Rock ask the Semiahmoo Band to reopen their parking lot adjacent to the Indigenous Bloom Business. This will relieve the traffic and parking congestion on Marine Drive and Parker Street. Because Indigenous Bloom have security guards already on their property they can have control over the vehicles parking to ensure that only patrons of Indigenous Bloom can park there. By doing this it will relieve the constant traffic turning around on residential driveways and parking on the side streets off of Marine Drive.

We are requesting that the Mayor of White Rock ask the Semiahmoo Band to reopen their parking lot adjacent to the Indigenous Bloom Business. This will relieve the traffic and parking congestion on Marine Drive and Parker Street. Because Indigenous Bloom have security guards already on their property they can have control over the vehicles parking to ensure that only patrons of Indigenous Bloom can park there. By doing this it will relieve the constant traffic turning around on residential driveways and parking on the side streets off of Marine Drive.

PETITION

We, the residents living on Parker Street by Marine Drive want to have the pay parking stalls (currently 15 minute parking) on Parker Street changed to Permit Only parking for residents.

This is a residential street and since the Bloom Pot shop on Marine opened there has been chronic overuse of these 3 stalls. This promotes accidents. They are not needed for the commercial units in front as there is pay parking there and they have underground access.

Please convert WR stalls Nos. 4800, 4801, 4802. to resident parking by permit only.

THE CORPORATION OF THE
CITY OF WHITE ROCK
CORPORATE REPORT

DATE: June 1, 2020

TO: Mayor and Council

FROM: Colleen Ponzini, Director, Financial Services

SUBJECT: Resident Only Four Hour Parking Area on East Beach

RECOMMENDATIONS

THAT Council:

1. Receive for information the corporate report dated June 1, 2020, from the Director of Financial Services, titled “Resident Only Four Hour Parking Area on East Beach;”
 2. Designate the 63 parking stalls in the recently opened Totem Park (Cypress Lot) section of East Beach as “resident only” four (4) hour free parking during the COVID-19 pandemic; and
 3. Designate the currently closed 59 parking stalls in East Beach for public pay parking with a maximum three (3) hour stay.
-

INTRODUCTION

On May 25, 2020, Council approved some changes to parking spaces along the waterfront to assist businesses who are beginning to reopen in phase 2 of the COVID-19 pandemic. At that time, Council resolved to have staff report back with options to be able to have a “residents only” four hour free parking area similar to what is available on the west side of the beach along Marine Drive. Residents are required to display a yellow pay parking decal to be able to use this reserved area.

DISCUSSION

The City’s waterfront Parking, Pier and Promenade were closed in March to delay and minimize the transmission of COVID-19. As the City moved through the first few months of the pandemic, parking regulations were gradually modified. Some lots remain closed; pay parking is limited to 3 hours; and “resident only” four hour free parking was made available in the west beach area.

Understanding that it is Council’s objective to have similar parking options available for residents only in the East and West Beach areas, staff propose:

1. That Council designate the 59 spaces that are currently closed on East Beach to be “resident only” four hour free parking during the pandemic; OR
2. That Council designate the 59 spaces as public pay parking stalls with a maximum stay of 3 hours and convert the recently opened 63 parking stalls in the Totem Park (Cypress Lot) section of East Beach as “resident only” four hour free parking.

See Appendix A for a visual representation of the East Beach parking configuration.

OPTIONS

The following options are available for Council's consideration:

1. Designate the currently closed 59 parking stalls in East Beach as resident only four (4) hour free parking during the pandemic;
2. Designate the 63 parking stalls in the recently opened Totem Park (Cypress Lot) section of East Beach as resident only four (4) hour free parking;
3. Designate the currently closed 59 parking stalls in East Beach for public pay parking with a maximum three (3) hour stay.

Staff recommend options 2 and 3.

CLIMATE CHANGE IMPLICATIONS

There are no direct environmental or climate action effects related to these options.

CONCLUSION

As the City moves into Phase 2 of the COVID-19 pandemic, parking along the waterfront has been gradually reopened to assist local businesses in their efforts to restart as well as address resident requests for waterfront parking. Staff are recommending options 2 and 3, as these options would accomplish Council's objective to provide a "resident only" parking area in East Beach and would move the recently opened pay parking stalls closer to the local businesses.

It is expected that as the City moves into Phase 3 of the pandemic, the waterfront parking regulations will be returned to normal.

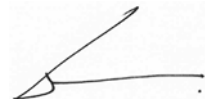

Respectfully submitted,

Colleen Ponzini, CPA, CGA

Comments from the Chief Administrative Officer:

I concur with the recommendations of this corporate report.

Re: Liquor in White Rock Public Spaces

Dear Mayor & Council:

I hope that you and your families are safe and healthy during these challenging times.

As you're aware, businesses are struggling during the Covid-19 pandemic. In particular, restaurants are challenged by strict capacity limitations that severely limit their potential revenues. While the Provincial policy guidelines around patio extensions will help, additional measures are needed for restaurants to survive the pandemic.

To that end, the White Rock Business Improvement Association requests that the City of White Rock use Section 73.2 of the Liquor Control and Licensing Act to allow for consumption of liquor in designated public spaces around White Rock.

Many White Rock restaurants have shifted their business models to offer take-out, and many of our community are now enjoying takeout in public places. However, alcoholic beverages are typically the highest margin items, and restaurants depend on their sale to meet expenses. Designating public spaces where alcohol could be consumed would allow customers to enjoy an alcoholic beverage with their take-out, thus increasing the effective potential revenues of the restaurants. This would help restaurants survive this very challenging business environment.

There are several public spaces around White Rock that would be suitable to be designated, and would allow restaurants in each district of our community to be supported. The allowed spaces could be delineated by public picnic tables and/or seating areas, an idea that has picked up steam in our community.

Designating public spaces would in no way change the laws around public intoxication or the bylaws around noise and public space schedules. All it would do is make it legal for customers enjoy an alcoholic beverage in, say, Memorial Park in the same way that they would across the street on the patio of, say, Uli's Restaurant or Charlie Don't Surf.

The White Rock BIA would be thrilled to work with City of White Rock Council & Staff to identify appropriate areas around our community, and to help communicate the changes and regulations to our members and the public-at-large. This is a powerful, virtually cost-free way to support White Rock restaurants that is directly under the City of White Rock's purview.

Thank you for your consideration of our request. Please reach out to me should you have any questions or wish to discuss this further.

Kind Regards,

Motion for New Item 7.1 Liquor in Public Areas:

THAT Council direct staff to bring forward a bylaw to allow for the consumption of liquor in Memorial Park plaza, and that the COVID-19 Recovery Task Force be requested to consider recommending additional potential public places that may be appropriate for allowing consumption of liquor.

Division 3 – Possession and Consumption of Liquor (*Liquor Control and Licensing Act*)

Unlawful possession or consumption of liquor

- 73** (1) A person must not consume liquor, or possess liquor in an open container, in a place other than
- (a) a residence,
 - (b) a private place,
 - (c) a service area in respect of which a licence, authorization or permit allows consumption,
 - (d) as provided under section 11,
 - (e) as provided under subsections (2) to (4) of this section,
 - (f) an assisted living residence, community care facility, hospital or other prescribed facility as provided in section 9, or
 - (g) in a liquor store as allowed under the *Liquor Distribution Act*.
- (2) Subject to subsection (3) and the regulations, a public place, or part of it, may be designated, by a bylaw of the municipality or regional district that has jurisdiction over the public place, as a place where liquor may be consumed.
- (3) A bylaw under subsection (2) must contain the hours during which liquor may be consumed.
- (4) Without limiting subsection (2), regulations under that subsection may provide that a bylaw referred to in that subsection may not designate
- (a) a specified public place, or
 - (b) a specified public place for a specified period of time.

Division 6 – Bylaws Dealing with the Consumption of Liquor in a Public Place (*Liquor Control and Licensing Regulation*)

Content of bylaws

- 197** A bylaw of a municipality or regional district under section 73 (2) of the Act designating a public place as a place where liquor may be consumed must
- (a) require the person responsible for the public place to post signs setting out
 - (i) the boundaries of the public place, and
 - (ii) the hours that liquor may be consumed, and
 - (b) describe the number and size of the signs and how they are to be posted.

Motion for New Item 7.2 Acquiring Picnic Tables:

THAT Council direct staff to partner with the White Rock BIA to acquire and install picnic tables and benches on public property for the use of local restaurant take-out customers, focusing on the plaza at Memorial Park as well as other appropriate locations in East Beach and the Uptown area.

AND THAT Council authorizes the use of \$10,000 from operating contingency for the picnic tables and benches.
