4. **CITY OF WHITE ROCK DEFINITION OF AFFORDABLE HOUSING**

The Manager of Planning presented an outline on how to consider defining Affordable Housing.

The Committee continued their discussion from the last meeting regarding the definition of affordable housing for the City of White Rock. The following discussion points were noted:

- Roughly half of renters are in the core housing need.
- There are now additional utility charges with internet categorized as a necessity and a basic utility.
- Staff noted the importance of when defining affordable housing to take in account the threshold of affordability.
- There was discussion surrounding the BC Housing definition of Affordable Housing and the Metro Vancouver Housing Plan.

- The importance of encouraging developers to include affordable units in their projects.
- Concerns were raised on residents who are below the average income and what their future will be in White Rock.
- Housing studies should be based on/take in account income, household size, age, and capture the demand and needs of the community and the future demographics of White Rock.
- Rental housing should be affordable, accessible, and inclusive with no discrimination.

**Action Item:** Staff to prepare a definition of affordable housing, that recognizes affordability along a spectrum of household incomes and is in general alignment with thresholds established by Metro Vancouver.

It was noted this work is already underway by staff from a previous ratified motion.
