RE: Removal of Restrictive Covenant Prohibiting secondary suites

Dear Mayor and Councilors,

We were very please when the planning department advised us that the two lots located at our home at 14401 Sunset Drive have now been rezoned to RS-2 SSMUH. Since receiving that information we have been communicating with the Planning Department on subsequent matters pertaining to our site.

With these recent developments we formally request that Council remove the restrictive covenant that prohibits secondary suites on each of our lots. For your convenience we have included a copy of the covenant.

Should you have any questions or require anything further, please feel free to contact us at the phone or email listed above. Thank you for your consideration.

Yours truly,
