I am totally opposed to this proposal, just as I was opposed to these proposals when Democracy Direct was campaigning during the last civic election as the slate to vote for to prevent this from happening. I voted for this slate to prevent this and will feel totally deceived if this vote goes through. I live in this zone and find it very stressful to be dealing with. I love my condo and am enjoying my retirement in it.

I will not vote for any person who votes for this ridiculous proposal that is ruining what White Rock used to be...a nice get-away from exactly what is now being proposed.
