

## **WRMA Project Description**

### **A&C Grant in Aid 2021**

Expanding upon the WRMA annual Lest We Forget exhibit commemorating Remembrance Day with panels depicting images and stories of those who served during the war years of 1914-1918 and 1939-1945.

#### **White Rock Museum & Archives**

##### **Proposed Budget**

##### **Panels and Newsprint**

The cost of each panel is from \$200 for printing and installation for a total cost of \$600. There is currently access to three locations with the possibility of expanding to ten in future years. Our Curator and Archives Manager would research and provide images and text for each of these panels. A conservative estimate of the time involved would be \$1200.

We would also pay for ads in the Peace Arch News of the eight panels that currently exist {these would be expanded upon to tell more of the story}. The cost of a quarter page colour ad is \$400 and we would have one store bi-weekly during a period of four weeks. Total cost would be \$3200. While the total cost exceeds \$5000, the Museum is actively seeking other funding opportunities to make up the balance of this project through sponsorship.

Below are examples of proposed images from Stratford, PEI.
