**Bylaw 2386 (CD-16 Mezzanine Floor Area Exception Bylaw)**

*This email is to speak against this bylaw being passed. We live on 1389 Winter Street. If this bylaw were to be passed, it would exacerbate the lack of street parking that already exists on this small street. We would also have to contend with excessive noise issues from pub activity on the mezzanine; we have already noticed an increase in evening noise from people gathering out on their balconies of the bosa towers that are on Thrift Avenue.*
