Dear Mayor and Council,

Thank you for this opportunity to be involved in the discussion regarding 3 Dogs Brewing.

Since 3 Dogs Brewing has been installed in their current location I have not experienced any concerns regarding their small patio. I am in the tower adjacent to them and can view their patio. I can also hear any street noise. Never have I felt that they were not in control of their patrons or have the patrons been out of control. I feel that it will be a welcome addition to White Rock to have the patio enlarged at their new location. It will provide another venue where residents can go for entertainment or just to have a beer and sandwich.
