Hello

I am 100% against this pub going in our square amongst the Miramar towers. Not good on any level.

The noise will be outrageous – we already deal with the noise from the BIN restaurant across the road and that place is MUCH smaller than the suggested site for the pub.

I cannot believe that this is being tabled when this is at the doorstep of hundreds of homes with children and retirees. This proposed site that will disrupt every home surrounding this square with NOISE.

DO NOT allow this to pass or the police will be continually fielding calls of noise complaints and then some.

They can find another site where they are NOT on the doorstep of peoples homes. This will disrupt hundreds of lives and create a wrath of negative emotions from the residents.

This is my home – a pub does not belong at my front door for very obvious reasons stated.

Do the right thing and vote this down.
