Dear White Rock Council,

I am opposed to the hours proposed for 3 Dogs. I wish them well, however, 2 am is just too late to stay open. As we all know, with a little alcohol one is not apt to be mindful of the 500"ish" people who live

directly above, who would like to be sleeping. The noise on the corner of Russell & Johnston is frequently intensified due to the e sound waves bouncing between the buildings.

Please do not allow a 2 a.m closing.

It is also too late to have 11pm closing on weeknights when so many people have to get up in the morning to go to work. 10:00pm should be the most allowed on week nights.
