- Mr. Wolgemuth, White Rock, noted concern with Council not requiring a line by line item budget and with the City's action and noted costs to bring back solid waste pick up for commercial and multi-family under the City's tasks, noting the cost estimates should be much less. Staff responded that at this time the City will not know the actual costs until contract prices come back, the City is not looking to make a profit - only to cover the project costs.
