**SUBMIT COMENTS RE:**

**BYLAW 2429 : WHITE ROCK ZONING BYLAW,2012, NO2000 AMENDMENT ( RS-4 15916 RUSSELL AVENUE ) BYLAW 2022; NO. 2429**

**this is to send my complaint and voice on the proposed project:**

**Concerning this proposed rezoning location to have 2 dwellings is a massive invasion to our home that is already towered around our locations on Stevens St**

**By building 2 larger homes, this will affect the view of tree's instead of big block invasive looking homes, also the noise and traffic on Russel and State has increased greatly in the past few years.**

**I live right on [REDACTED] White Rock and my backyard will no longer have any privacy at all.**

**homes in this area need to be balanced in size and character without removing the quaint area that has always been up until now.**

***I strongly say NO I do not want this proposed project to happen* and I have heard that my neighbours are also voicing their disapproval**

***It is important that we tax payers have a voice that makes a difference***

**Respectfully**

Mrs L. Davison
