Good afternoon,

I am curious to know why there will not be any fireworks on Canada Day? No reasonable reason has been given.....

Kind regards,

The City's 2022 operating budget (which included the funding for Canada Day expenses) was approved in late May 2022. The City's special event team have been unable to secure a pyrotechnical contractor to provide a fireworks display for Canada Day at the Bay this year due to supply chain shortages. There will be a fireworks show at the White Rock Sea Festival/ Semiahmoo Days which will be held July 30, 2022 at dusk.
