#### THE CORPORATION OF THE

# CITY OF WHITE ROCK CORPORATE REPORT

DATE: December 5, 2022

**TO:** Mayor and Council

FROM: Candice Gartry, Director, Financial Services

SUBJECT: 2023 Fees and Charges Bylaw, 2022, No. 2447

## **RECOMMENDATION**

THAT Council receive the December 5, 2022, corporate report from the Director of Financial Services, titled "2023 Fees and Charges Bylaw, 2022, No. 2447" for Council's consideration and adoption.

### **EXECUTIVE SUMMARY**

Section 194 of the *Community Charter* authorizes Council, by bylaw, to establish municipal fees for services, for the use of municipal property or to exercise the authority to regulate, prohibit or impose requirements.

Annually, city staff review the fees and charges bylaw to ensure that fees charged recover the cost of providing the services. For 2023, the increases proposed are generally inflationary except for some fees where it has been determined that the city is not fully recovering related costs. Additionally, a few new fees have been added.

It is recommended that the fees proposed in the 2023 Fees and Charges Bylaw, 2022, No. 2447 be approved for the 2023 fiscal year.

#### INTRODUCTION/BACKGROUND

Annually, city staff review the fees and charges bylaw to ensure that fees charged recover the cost of providing the services. For 2023, the increases proposed are generally inflationary except for some fees where it has been determined that the city is not fully recovering related costs.

Additionally, a few new fees have been added.

#### **FINANCIAL IMPLICATIONS**

Annually reviewing the Fees and Charges Bylaw and adjusting, removing, or adding fees where needed ensures that the city's fees and charges are appropriate and remain in line with the cost of providing the services. The impact of the proposed fees will be incorporated into adjustments to revenues in the 2022 budget process.

#### INTERDEPARTMENTAL INVOLVEMENT/IMPLICATIONS

The departments responsible for the fees and charges each provided input for the fees proposed in the 2023 Fees and Charges Bylaw, 2022, No. 2447.

### **OPTIONS / RISKS / ALTERNATIVES**

The following option is available for Council's consideration:

1. Not endorse the proposed 2023 Fees and Charges Bylaw, 2022, No. 2447, which would result in the city's fees falling below the cost of providing the services.

#### **CONCLUSION**

Annually, city staff review the fees and charges bylaw to ensure that fees charged are appropriate, necessary and recover the cost of providing the services. For 2023 the fees were generally increased by inflation and others were adjusted to align with the cost of providing or delivering the service. The proposed changes have been incorporated into the 2023 Fees and Charges Bylaw, 2022, No. 2447 for the Council's consideration.

Respectfully submitted,

**Candice Gartry** 

Director, Financial Services
