Dear White Rock City Councillors

WE live at Oceana Parc Independent Living in White Rock which is a stones throw away from the Pub that's asking for the liquor hours extension to 2am on Fri & Sat.

We are totally against this as there is already so much exterior noise from the surrounding areas that keep us awake at nite on a regular basis.

Please do not approve or grant this request for a 2am serving. The longer people are in the pub,,, the drunker and louder they become and we will be the ones suffering.

Thank you.
