

Below is a framework that suggests categorizing the ideas (ranging from articles in the rec guide to Marine drive as a heritage designation) into larger objectives and goal categories.

Suggested Goal Categories

1. Improving local knowledge about Heritage and respectfully sharing our Cultural Heritage Stories
2. Sustainably collecting, persevering, and promoting Physical Heritage Assets

Each Goal category is broken down into suggested objectives (to be discussed)

Improving local knowledge about Heritage

- Objective/Outcome: Collection and dissemination of the rich stories of White Rock and the Semiahmoo Bay Area first people
 - Objective/Outcome : Systemized promotion of heritage and history

Sustainably collecting, persevering, and promoting Physical Heritage Assets

- Objective/Outcome: A well supported White Rock Museum and Archives
- Objective/Outcome: Sustainable heritage designations and policies
